

# Project Title: THE SHOEMUSEUM / A WALK ON WATER

**Hosted By: Het Nieuwe SchoenenMuseum / The New ShoeMuseum**

## ***Project Introduction:***

During Dutch Design Week the New ShoeMuseum will focus on the meeting point between shoes and future materials. Promoting knowledge and awareness about shoes and sustainability among both the shoe industry and consumers is an important theme within the New ShoeMuseum both during and after DDW.

## ***About Organisation:***

The New ShoeMuseum aims to become the leading institute in the field of shoe innovation, craftsmanship and sustainability. Within a few years, the museum will reopen at a new location in the inner city of Waalwijk, the city that has been the center of Dutch shoe production for centuries.
