

Projectnaam: The Arena

Gepresenteerd door: Design Academy Eindhoven

Project introductie:

Dutch will follow soon

The Arena is an essential component of the Design Academy Eindhoven's 2019 Graduation Show, focusing our attention through presentations, performances, film screenings and debates, that explore the context and possible implications of the work on show.

Over organisatie:

Dutch will follow soon

Design Academy Eindhoven (DAE) is one of the world's leading design schools. The academy trains designers that proceed to make their mark on the future and has done so for over 70 years. It is recognised for its forward-thinking and renowned professors and alumni, who have made great advances in the design field.
