

Project Title: Creative Residency Arita 2018-2019

Hosted By: Creative Residency Arita

Project Introduction:

A presentation of the experimental ceramic projects developed by several internationally active artists and designers during their 12 weeks of respective residency programme together with highly skilled Japanese craftsmen and ceramic researchers.

About Organisation:

The Creative Residency Arita programme was launched in Arita, Japan in 2016. Internationally artists and designers were selected by committee members following an open-call application. With ceramic production as the focal point, the programme offers support for creators from various backgrounds and specialisms with their creative activities giving the opportunity to interact with local residents and pair up with highly skilled craftsman.

Individual Participants

Name: Franciska Meijers

Project Name:

Project Introduction:

Lightings, Cups and a Tray, Vases

Name: Isabel Ferrand

Project Name:

Project Introduction:

Intruder

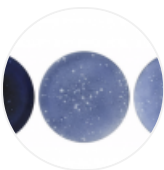

Name: UTSUÀ

Project Name: UTSUÀ

Project Introduction:

UTSUÀ is a new brand designed by the one of residents, Tijmen Smeulders and a trading company in Arita.

Name: Made by Rain

Project Name: Made by Rain

Project Introduction:

Made by Rain porcelain was developed during a creative residency in Arita, Japan. Working in collaboration with the Japanese potter Fukusengama, she devised a process to “draw” on porcelain by creating modest patterning with actual rain using three tones of the typical “Fukusen blue” glaze color. It is now distributed by a brand, Thomas Eyck in Holland
