

Project Title: Sonos x Frame Sound Challenge

Hosted By:

Project Introduction:

Sonos and Frame challenged several Dutch creatives to design an experience to explore the relationship between people, space and sound. The winning concept comes from Lonk. They conceived an interactive and playful installation in which visitors build together a sonic composition.

Project Introduction:

'Space here becomes sound' is an interactive experience designed by studio LONK for SONOS x HAY, presented by Frame.

The installation consists of five frames that can be rotated by DDW visitors, resulting in an ever changing sound composition. Each coloured frame and associated soundscape will fill the space with thoughts, memories and visions of home.
