

Project Title: Renault SYMBIOZ - Mobiliteit van de toekomst

Hosted By:

Project Introduction:

During Dutch Design Week you have the opportunity to experience Renault SYMBIOZ. It is Renault's solution for housing and mobility in 2030. Designed as a single ecosystem. SYMBIOZ literally offers a look into the future of mobility. Being at home and being on the road are so closely connected that autonomous driving becomes a real home experience. The Renault SYMBIOZ house and concept car can be visited at Ketelhuisplein during Dutch Design Week.
