

# Project Title: Eat Drink Design becomes Home of Design

**Hosted By:**

***Project Introduction:***

Kazerne - Home of Design - is located downtown in Eindhoven. The hotspot where the worlds of wine, dine, design, art and technology come together.

EAT DRINK DESIGN... AND SOON SLEEP! During DDW part of Kazerne is under construction. With the opening of the newly renovated site by the end of 2018, Kazerne can finally unleash it's full potential. The current 1.000 m2 exhibition space – including a bar/bistro, design shop and a multifunctional room – will then be expanded with 1.000 m2 extra exhibition space with 8 boutique hotel rooms (so you can really sleep in a design expo), two extra meeting & event rooms, a second restaurant and a members club; a casual living room for hotel guests and the creative ecosystem.
